

Adelaide West End Association Membership Program 2010 - 2011

Six reasons to be a member

Here are six reasons to become a member of the Adelaide West End Association

Stay in touch

The West End is undergoing an exciting period of regeneration and growth. Our newsletters are an easy and convenient way to stay in touch with all the important issues affecting our community.

Be seen

Your support of the West End will be noticed by customers and other local business people. This is a real opportunity to be seen to be associated with a progressive organisation that is actively involved in developing and promoting the West End precinct.

Have your say

The AWEA offers a direct line of communication with the Adelaide City Council, State Government and various other agencies. If you have an issue then we can connect you to those that need to hear.

Effect change

The AWEA has an active policy agenda on issues such as public safety, development planning, arts and cultural development and many other issues that affect the West End. You CAN make a difference through your involvement in the association.

Network for business or pleasure

If you want targeted opportunities to network with the movers and shapers in the West End precinct then our events offer the ideal way to meet the right people.

Support your local community

The West End needs your support. If you live, work or play in the West End you can make a very real contribution by joining up as a member. Business members will receive public acknowledgement of their support by way of logo recognition and a range of other promotional activities. We are the West End!
